The Daring Duke: The 1797 Club, Book 1

Synopsis

The first book of the much anticipated 1797 Club series from USA Today best-selling author Jess Michaels. The dukes are coming! The wild and charismatic Duke of Abernathe is the kind of friend anyone would wish to have. He even formed the 1797 Club, consisting of 10 men who would all be dukes. But he has full-throatedly declared he will never marry and no one understands why. But Miss Emma Liston doesn't care why. A longtime wallflower with an absentee father who is a scandal waiting to happen, she needs to marry. Now. She decides to take a wild chance and ask the help of her friend Meg's brother James. She asks him to pretend he's interested in her just long enough to gain the attention of others. He agrees, but is quickly taken aback by how easy everything is with Emma. When her father returns, threatening her with a terrible future, their courtship swiftly becomes all too real. Will James ever reveal the true man beneath the outer shell? And can Emma discover her own worthiness before it's too late? Length: Full-Length (70,000 words) Heat Level: Sizzling This book is the first in The 1797 Club series.

Customer Reviews

James and Emma were two people who had suffered with terrible parents and I felt that they were meant for each other. Both had fears and both had strength and determination and I admired them both tremendously. I found their interactions entertaining and I thoroughly enjoyed their romance. There was definitely chemistry between them. This was a wonderful romance and I have already purchased the next book and am looking forward to reading it. This is one series that I don't intend to miss.

A wonderful start to the series!! James was hated and ridiculed by his father his entire life. While at school he and his buddies who will also be Dukes one day formed the 1797 Club and vowed to teach and help each other to be Dukes!! During one of the Balls, Emma helps James's sister Meg out of a precarious situation with her intoxicated mother. Emma and Meg became fast friends!! Meg invites Emma to their house party, during that time she and James have a few liaisons. They make a bargain, James will pay special attention to Emma and she might garner a marriage proposal from one of the guests and James will hold the marriage mama's at bay. When Emma's father arrives unannounced James steps in to save her. A wonderful story that melts the frozen hearts!!

This is the first book in the 1797 series. The book starts with a introduction of the Dukes. The story quickly shifts to a story about the Duke of A. He finds a lady who is his match. They are a great match and the story is enchanting. I look forward to all the books in this exciting series.

Once again, Jess give us the story of two hurt young people. James hides his pain by being the life of the party. Emma hides her pain by being a wallflower. No spoiler here, but suffice it to say they plot a way to help each other, and in the end it backfires!

What a fabulous beginning to a new series from one of my favorite authors! This story is a must read!

I loved James and Emma's story! "The Daring Duke" proved again the amazing talent of Jess Michaels. I couldn't put it down! The characters appearing in book 1 are amazing, and I'm so looking forward to the continuation of this awesome new series!

I enjoyed reading this book very much, in fact I didn't want to put it down at all. I thought the main characters immediately connected and the story was well written. I can hardly wait for the next installment of this series.

This appears to be shaping into a fantastic series if the first installment is any indication. The attention to detail, the life of the characters and the love and friendship draws you in, not to mention the action. Love It.
