Bea Brock is a nationally known rug hooking teacher and designer of a sophisticated hooked rug pattern design collection. She is known for her unique contemporary style, her accomplished color sense, and her signature dyed wool. She has published articles in Rug Hooking magazine and Wool Street Journal and is always in demand at rug hooking schools, shows, conferences, and retreats. Her home studio is in Kerrville, TX.

I treated myself to this new book, and I'm glad I did. I'd never heard of Bea Brock, but she's clearly a talented rug hooker and designer. With a too-large collection of leftover strips of wool, I needed some inspiration to turn them into mats and chair seats. This book does the job! One look at the cover will give you an idea of all the beauty inside.

In the world of hooked rugs, it is hard to find images that are not traditional. This book shows outstanding, innovative and creative works. Also includes specific information on colors and tone

ranges. Beautiful book!

Bea has done an amazing job with this book....it will be a reference guide for me for years to come. Great pictures, clear instructions and great tips for creating colorful rugs. I would highly recommend this book for the amateur or experienced rug hooker. A real gem!!

Bea's book Scrappy Hooked Rugs is such an inspiration with it's delightful photos of finished rugs and witty humor. So glad that I purchased. It is full of helpful information about how to organize your "stash" so that you can find what you know you have and couldn't find before and so much more. Thanks Bea!

For anyone who loves geometric looking rugs, this is a must to own. The color illustrations are enough to make you want to get out your needles and wool. This book helps you see how to use up your scraps of wool in fun ways. You will love this book.

As a new hooker this book is wonderful!! It offers so much information about color, stitches and patterning that I know I will refer to it often.

Great tips for organizing, designing and hooking rugs using up all the extra wool all us rug hookers accumulate. Very well written.

Beautiful photos of her work, I am not a primitive rug fan and theses are great options for inspiration
