Customer Reviews

I have 2.5 yr. old twins and they have enjoyed this Bible tremendously. This is their first choice of book to read at any time during the day. It's got great illustrations, a clean page layout, and the stories are a perfect length for this age. I'd give it 5 stars for content, but as far as the construction goes it's one of the worst I've seen. There's a nifty handle on it, but includes no closure on the other side. When it's picked up, the pages fan out and pull away from the binding. We've gotten 3 copies of this Bible so far (in the last 9 mo.) and the covers have all torn off within a couple of months. My kids have been careful with these last 2 that I purchase so they aren't even using the handles. The Bibles are still pretty wrecked. I'd recommend reinforcing the binding if you actually plan to use the Bible.

I lead a group of Kindergarten and First grade boys at our church and used this Bible to reiterate the week's lesson. The artwork is well done cartoonish but respectfully drawn images. Key bible stories

are reduced to a single page, with related artwork on the opposite page. The kids liked seeing the images that went along with the stories. We ask that parents give each child a bible, this would be a great one for the non or early reading age. There is also a cute little dove to find lurking in each drawing, which the church kids (and my own) enjoyed searching for.

I really like this Bible for my 2 and 3 year olds. They are nice short stories, but it doesn't skip the important things. I like how there is a question at the end of this story.

Our daughter is thrilled with this book of Bible stories for her three year old. He has her read it to him everyday...all the way through. She says the stories help to portray the Bible stories in such an understandable way and in alignment with the Bible.

grampa wanted a book with stories that a 3 and 6 year old can understand and will listen to. this book seems real nice

We've searched for a while for a good picture Bible for our kids, 3 and 1 years old. This is the one! It holds our young kids' attention with the great pictures and easy to understand text. Also very accurate, this was important to us. I totally recommend this Bible.

My 2 year old son & I love reading this Bible. This Bible eloquently explains the stories of the Bible for children. My son also loves the beautiful illustrations and finding the 'little white bird' on every page. Excellent Beginners Bible!!!!!!

This is a wonderful Bible Story book for my kindergarten grandson. Vivid pictures along with well-written stories make Bible stories appealing to youngsters.
