Seattle & Portland For Dummies? (Dummies Travel)

Synopsis

This all-new guide offers honest, down-to-earth coverage of the urban pleasures and splendid natural assets of Seattle and Portland. We'll give you the lowdown on the best of the cities, from Seattle's Bumbershoot arts festival to Portland's rose gardens. Our authors have scoured the city for the best restaurants, and they'll steer you to the top quintessential Northwestern treats, from salmon to cappuccino to Northwest wines. The guide also boasts tours designed for different needs and interests, such as Seattle in Three Days, Seattle for Nature Lovers, Seattle for Coffee and Snack Lovers, Seattle for the Tragically Hip, and Exploring Beyond Seattle: Three Dandy Day Trips. With tips on how to plan your trip, descriptions of accommodations for a range of budgets and tastes, and even a guide to Northwest lingo, *Seattle & Portland for Dummies* is the only guide you'll need for a fabulous trip to these cities!

About the Author When not swilling frequent cups of coffee or mowing his way through the Pike Place Market's food stalls, Seattle-based writer Jim Gullo travels the world on assignment for magazines that include *Islands*, *Diversion*, and the *Alaska Airlines Magazine*. He is also the author of *Just Let Me Play*, the autobiography of golfer Charlie Sifford, and a three-act comedy entitled *Held Over in Pottstown*. You can find him on various playgrounds hoisting jump shots or challenging all comers to games of two-on-two with his 12-year-old son, Mike.

I visit Portland often and have long wanted to also spend some time in Seattle. As much as I get to Portland, I had no idea about some of the places mentioned in this book. Lots of attractions, where to eat, where to shop, what to wear in both Portland & Seattle, and so forth. With all the times I've been in the great Northwest, I had no idea how much there truly was to see in both cities. And the book is written in a casual enough style, so that not only can you read about various places to see, but also this can be used as a quick reference. The next time I travel to Portland (and when I get up to Seattle), I'm definitely taking this book with me so I can visit some of the areas and restaurants I've missed in my previous travels there. Anyone planning a visit to either city will enjoy this book.
