Synopsis

Elmo and his friends play a variation of everyone's favorite game, "Simon Says." Elmo Says, is just like the original, except that here, our favorite furry little red monster leads the action. Customer Reviews

This is a really cute board book for Elmo fans, however, its a little flawed. The board book format suggests its for younger kids, but the content and understanding Elmo says (like Simon says) is over a young toddler's head.

My two year old loves this book. She acts out the pages and asks for us to read it over and over.

Good little book - what you would expect from Sesame Street geared for a toddler. Cute.

Colorful pages for toddlers
