Well worth the buy. Well set out and excellent for getting beginners started in the use of pastels.

Well illustrated.

The demonstrations and guidance on using pastels was really great. The works by Margaret Evans and knowledge she gives is significant and greatly appreciated.

There is no demonstrations with pastel pencils and lacks informations about when use hard or soft pastels. Also lacks informations about pastels's brands.

I have received good instruction from reading a few pages, am reading more and painting is improving.

Seems a little dated.

This is a great resource for anyone looking to get started with pastel painting.

Great Deal. good seller, much appreciated.

Excellent book! Couldn't ask for better~!~
