The Shack Study Guide: Healing For Your Journey Through Loss, Trauma, And Pain

Synopsis

The study guide companion to the #1 New York Times bestseller and upcoming major motion picture *The Shack* is a helpful resource to those who seek healing and recovery from life's most painful experiences. Trauma and loss are unfortunately universal, and finding answers to the question of pain and suffering challenges everyone. *THE SHACK STUDY GUIDE* includes excerpts from *The Shack* with questions for reflection and instructions to lead readers through a healing process. The goal, like the theme of *The Shack*, is to usher readers into the loving presence of the triune God, where together with Him, they will confront their deepest pain and experience a real, lasting healing.

WM. PAUL YOUNG was born a Canadian and raised among a Stone Age tribe by his missionary parents in the highlands of former New Guinea. He suffered great loss as a child and young adult and now enjoys the "wastefulness of grace" with his family in the Pacific Northwest. He is also the author of *Cross Roads* and *Eve*. BRAD ROBISON is a psychiatrist and family therapist who for several years has been using *The Shack* as a resource in helping his patients on their healing journey through loss, trauma, and pain. He wrote *THE SHACK STUDY GUIDE* to assist people on that journey and it is being used in reading and study groups, family counseling, trauma and addiction recovery groups, and by professional counselors and pastors. He resides in Cape Girardeau, MO.

I've seen the movie twice in order to pick up the things I missed during my first viewing. I purchased this guide to further my understanding of the movie. I've never read the book 'The Shack' but all who have and seen the movie say that it is spot on. It is very thorough and thought provoking. Open up your mind and be honest in answering the suggested points.

I haven't explored the entire book, but what I have read is very good and as a survivor of a number of passed on loved ones, I see it as very beneficial and I recommend it not only to someone experiencing a loss but to others wanting to support that person.

Just finish reading the book for second time. Now ready to have my own personal book club, with the study guide.

This is a very great study guide, however if you are not dealing with the loss of anyone this might not be a study guide for you. I purchased because I absolutely loved the book and movie and thought this would dig deeper in my faith. I have not experienced a "great loss" so it wasn't that interesting to me.

Love this study guide, has helped me see some of the things I missed while watching the movie...which by the way is an absolutely wonderful move.

Wonderful book! We studied this book in small groups at church and then our church rented out the theater to watch the movie. Excellent!

Great resources.

We have been using this book in our bible study and it is very enlightening. It makes you dive deep in your thoughts and emotions.
