Illustrated Bible Survey: An Introduction

Synopsis

Illustrated Bible Survey introduces all the books of the Bible from Genesis to Revelation. Based on more than thirty years of scholarly research and classroom teaching, editors Ed Hindson, Elmer Towns, and scholars from Liberty University provide a visually engaging, practical, readable, and insightful overview of God's Word and its eternal message. Ideally suited for undergraduate students, laymen, and pastors, this volume features:

- More than 200 full-color photographs, maps, charts, and illustrations
- Introductions to each book of the Bible, including background, date, author, outline, and message
- Introductory chapters on the themes of the Bible, how we got our Bible, and the people and places of the Bible
- Sidebars on the unique features, beneficial insights, and practical applications of biblical truths
- Study questions and recommended further reading

ECPA Gold Medallion award winners Hindson and Towns draw from a lifetime of teaching more than 100,000 students. They represent quality evangelical scholarship, along with a passion to make the Scriptures come to life as they open windows of insight into the biblical text. This exciting survey highlights the key elements of the literature, history, archaeology, and wisdom of the biblical text with an eye on the practical application of its timeless truths, moral principles, and theological insights so desperately needed in today's world.

Book Information

Hardcover: 624 pages

Publisher: B&H Academic (November 1, 2013)

Customer Reviews

Edward E. Hindson (D. Litt. et Phil., South Africa; FIBA. Cambridge) is dean of the School of

Religion and distinguished professor of Religion and Biblical Studies at Liberty University. Elmer L. Towns (D.Min., Fuller Theological Seminary) is dean emeritus at Liberty University. ã ã

Very well written in a non-scholarly manner that makes it easy for the average reader to grasp, meditate on, and apply. I would highly recommend this resource as a required reading for anyone interested in leading a Bible Study or becoming any kind of leader in a local church. The book goes, for the most part, book by book through the ENTIRE BIBLE providing historical background, relevant controversies and criticisms regarding authorship, dates, and authenticity. Make no mistake: Hindson & Towns are unapologetically Evangelical and have no place for the so-called modern critical method that calls, for example, for a three-fold division to the book of Isaiah or a non-mosaic authorship of the Torah. Depending on who you are that's either wonderfully refreshing or tooth-grindingly frustrating (I'm of the former ilk).

This book breaks down the books of the Bible in an interesting approach. Currently taking a college course that requires this book and two others. This is the only book I look forward to reading. Doesn't bore me at all.

AS DESCRIBED, ON TIME DELIVERY

I needed this book for an online class via my Church. I decided to check out the required textbook BEFORE signing up for the class. To my surprise, I found the text very easy to understand....which is what I need when it comes to studying the Bible. Because I am a visible/audible learner, the illustrations are an AWESOME addition!!! WELL WORTH THE INVESTMENT!!

great

A great book that allows you to delve deeper into God's word.

I purchased IBS used and it was delivered as stated. I would rate this book very good, it presents each chapter with clarity and understanding.

This is the Best book. I never really understood the bible till i had to take a bible class with my school and needed this book. Had it not been for my school I probably ãfÂçÃ â ã ã would have

never bought it. And now I don't want to get rid of it, I want to keep it for reference.
