I Love You Too

Synopsis

"Ziggy Marley in Concert" was awarded a 2014 Grammy Award for Best Reggae Album!"A sweetly affectionate ode to togetherness and love."--Publishers Weekly"Lyrics inspired by an exchange with Marley's 3-year-old daughter are set to bright paintings of a multicultural cast of children and adults enjoying each other's company indoors and out...The art will draw and hold young children's attention."--Kirkus Reviews"Sure to be a hit at bedtime, the lyrical story conveys the sweet, soothing, and affirming message."--School Library Journal"The emphasis of this book is that love has no boundaries."--New York Journal of Books"This looks to be on our home charts for weeks, months, maybe even years."--Austin Chronicle"An inspiring storybook edition of the lyrics of famous reggae performer Ziggy Marley...song lyrics are surrounded and set in warm, vivid illustrations of children of many hues, laughing and playing with loving parents and grandparents in a healthy, light, balanced natural world."--Midwest Book Review"Only Marley, 42, adores the tale husband Ziggy wrote for daughter Judah, 9."--US Weekly, Objects of Affection mention"The illustrations are simply stunning...But even more than the gorgeous illustrations is the wonderful message that this book conveys--that families and friends will always love each other."--The Mama GamesReleased simultaneously with Ziggy Marley's new album, Fly Rasta.A debut children's book by reggae icon Ziggy Marley with illustrations by Ag Jatkowska.A beautifully illustrated, multicultural children's picture book based on one of Ziggy Marley's most beloved songs, "I Love You Too." The book explores a child's relationship with parents, nature, and the unstoppable force of love. This is Ziggy's first book, though his foray into children's music is extensive and very well known. He is the singer of "Believe in Yourself," the popular theme song of the hit TV show, Arthur.From the introduction by Ziggy Marley:"One day I was in my kitchen making breakfast with my then three-year-old daughter Judah. She looked at me and said, 'I love you.' I spontaneously replied to her, 'I love you too.' From that came the song and now the book based on the lyrics. I hope you share and enjoy this with your loved ones as I have with mine. I love you too."*A coproduction of Akashic Books and Tuff Gong Worldwide

PreSÃ¢â¬âInspired by a conversation with his three-year-old daughter while making breakfast, Marley wrote a song, the lyrics of which grace the pages of this book. The chorus repeats, "I love you too, I love you too./I tell you, I love you./I love you too, I love you too./I love you." The words and accompanying bright and cheerful illustrations show the various types of love young children have in their lives. The book depicts a multicultural cast of characters, and children will see families like theirs playing in a park, drawing pictures with friends, and decorating the Christmas tree. Sure to be a hit at bedtime, the lyrical story conveys the sweet, soothing, and affirming message.Ã¢â¬âSarah Polace, Cuyahoga Public Library System, OH

Ziggy Marley is a devoted father and husband, a multiple Grammy Award winner, an Emmy Award winner (for his song “I Love You TooÃ¢â¬â in the animated series 3rd & Bird), humanitarian, singer, songwriter, producer, and reggae icon, who has released fifteen critically acclaimed albums. His early immersion in music came at age ten when he sat in on recording sessions with his father, Bob Marley. As the front man of Ziggy Marley and the Melody Makers, he released eight best-selling albums, with such chart-topping hits as “Look WhoÃ¢â¬âs Dancing,Ã¢â¬â “Tomorrow People,Ã¢â¬â and “TumblinÃ¢â¬â Down.Ã¢â¬â ZiggyÃ¢â¬âs first solo album, Dragonfly, was released in 2003 and was followed by two Grammy Award–winning solo albums, Love Is My Religion (Best Reggae Album) and Family Time (Best ChildrenÃ¢â¬âs Album).

Great book, beautiful pictures. Ziggy also has a song to go with the book and my child sings along

through the book. It is a celebration of the love between a parent and child.

This is a book that is very redundant with the "I love you" again and again and again. There really isn't a story. However, the illustrations are wonderful. So 5-stars for illustrations; 1-star for the text (which really isn't at all creative).

I'm a huge Marley fan and I absolutely love this book! Super cute pictures and it's fun to sing while reading it to my daughter.

I have enjoyed Ziggy Marley's album Family Time with my family. I was very excited for his book "I love you too" based on his song by the same name. I was very fortunate to take my son to the book signing for this book. Ziggy read this book with his son in his lap and then gave a mini concert. So I have fond memories associated with this book. The book is wonderful. If you like the song, you'll enjoy the book. The pictures are so colorful and compliment the lyrics very well. It's a beautiful message.

An easy read with parents and children.

This book has been great for talking about relationships with others, especially parents. Was a great book for around Valentine's Day but isn't limited to being used then. Only complaint--the refrain gets very repetitive in reading aloud. VERY colorful illustrations, and my students and I love the rainbow of skin colors used throughout!

My 2 1/2 year old loves this book especially when I play the namesake song from Ziggy's "Family Time" album while we read. We also have Cedella Marley's "Every Little Thing" and "One Love" which we read while playing Bob Marley tunes. The books all have great messages and my little guy loves reggae so it's a win-win!

Absolutely "jump-off-the-page" illustrations! The colors are so vivid and the characters are lovable! This is absolutely adorable and appropriate for our little ones! So glad we "invested"! Buy this one folks!
