Cal has given up his Dominance and Ruin for Rome. Will it be enough for him to live the vanilla life. Rome, no matter how hard he tries to convince her, can not or will not go down the submissive path for him. She's never revealed her past and he feels certain there's something there that's truly holding her back. Meanwhile, the stalker seems to be contained but Cal is still not willing to risk her safety. It's readily apparent that Cal loves Rome. He shows it every minute of every day but never says the words. But, he starts to question if their relationship will be enough to last a lifetime. Jackson finally forces Cal's hand by putting whip in it. Is this the beginning of the end for Rome and Cal?

Calloway is a gorgeous, wealthy Dom in love with a gorgeous, smart vanilla girl. He lost her over being a Dom, she won't even give the lifestyle a chance. All Rome sees is abuse, being "knocked" around. Prior to admitting he was a Dom, Calloway and Rome did plenty of kinky sex minus the hitting; now they are plain vanilla and as much as Calloway tries it just isn't enough. Here he tried to convert Rome, he has tried to make her see the good parts but, she won't hear it. Jackson

(Calloway's brother) gives him the "perfect solution", once he gets the whip in hand he can't turn it away. He will lose Rome over this and I would bet Isabelle will help that loss along quicker. Hank is afraid of Calloway but, he is just bidding his time, he will get his hands on Rome...likely when Calloway is whipping Isabelle. This is bad news all the way around.

The third installment will leave you breathless and begging for more. Cal and Rome are back and Vanilla is the flavor of the day once more but will it stay that way. Cal is trying everything thing he can to make Rome see that she is what he wants and needs but can he truly sacrifice such a huge part of who he is to make her happy. And transversely can Rome really expect Cal to give up his preferences when deep down it's truly what she desires as well. This series is a page turner that keeps you guessing and leaves you feeling like you on a ledge. Will Dom Cal ever get his Sub? Will we discover what secrets in Rome's past stop her from giving in to what we know she desires and yearns for? When you reach the last page you jaw literally hits the floor and if you don't have book 4 handy you might tear your hair out!

My God am I the only one who wanted to throat punch Jackson? Cal is such a strong man but allows his brother to tempt him like the devil himself! Great writing that had me glued to the edge of my seat. Read books 2 and 3 in a day and now I have book hangover. Cannot wait until next week when I can see how this story ends! This cliffhanger is KILLING ME!!!! Oh Cal, what have you done?

I've really enjoyed this series. But everything hinges on the final book 4. Yes it's sad what Cal did in the end BUT Rome has a secret too. I wish he'd sit her down and get her to talk about her past because that I'm certain is her hang up for no compromising with Cal. I don't like or trust Jackson because I think that ending was all deviously planned and plotted by him and Isabella the skank. There's no doubt in my mind Cal and Rome belong together and there is a middle point they could agree on and get their HEA. Only a few days to wait for final book. ♡f& ♡ ♡_ ♡ ♡^ ♡ ♡•

The story is very much erotica. I enjoyed the running external conflict with Isabelle and Hank. The internal conflict within Calloway is highly exaggerated and very frustrating. I also noticed a change in personality with the change in perspective as each chapter moves forward. When Rome is speaking in her perspective she is in command and a strong heroine. However, her personality changes to pretentious and demeaning when the story is in Calloway's perspective. Something similar happens

with Calloway's personality too. When he is speaking from his perspective he is the mans man. He is strong and foreboding. When Rome is relaying her perspective of Calloway's actions he becomes much softer and more of a cuck than a man. It starts to change at then end when Calloway is allowed to let his Dom side out with Isabelle, but it takes forever.

I've been really conflicted with this story. This is the first thing I've read by Victoria Quinn & while I'm impressed by the flow of the story... im conflicted with the events. A lot of sadness here & frustration with Rome! Calloway should truly have been the Dom here proclaims to be & taken a firm stance with Rome instead of doing what he's done. All romance novels have a certain amount of sadness, dispare, & doom it's what keeps us hanging on & since this story has a lot of these components... it's definitely a good read. There are several editing errors with words being incorrect & out of place. This is not the authors mistake it's editing. You will find yourself doing a double take in some places just because one word is incorrect. I do recommend this series for the devoted romance reader.

Wow...this book left me, with my mouth wide open,ÃfÂ Ã Å,Ã ÆœÃ Â ÃfÂ Ã Å,Ã ÆœÃ Â ÃfÂ Ã Å,Ã â ^Ã â ¬!!! I was like...whaaat...no he didn't! Victoria, girl you did it againÃfÂçÃ Â•Ã Â². Loved it!!! I cannot wait for the next installment. I love these advanced copies! It makes me so excited to read. I'm like a kid on Christmas morning, opening gifts!!! This is another must read. I cannot wait to see what finally happens to Hank. Will Christopher, get his HEA, in his very own story?! Just asking...
