Customer Reviews

Alot of recipes caught my eye. I definitely will be trying them. I have a small catering business so this will be interesting.

Ok, I definitely have to question the "classic" label. I will accept that these may be reinterpretations for a modernized western pallet, but I am not convinced Polynesians would accept them as even in the spirit of their culinary history. That said, I can't deduct more than two stars because the food is decent and earns a mid grade on that alone.
