Customer Reviews

If I would have seen this before buying, I would have NOT purchased it. I was very disappointed and feel like the description of the bible was very misleading. It is a bible - that is the best thing and nothing will ruin that, but it is NOT Large print as noted and for a journal bible, the paper is very thin. Completely missed expectations. I plan on reaching out to Zondervan to provide my feedback.

Absolutely Beautiful!!

This Bible is beautiful. The cover is just stunning! I am going to order another! I love that you can color the pages and add your own notes!

Beautiful bible and tons of room for notes and drawings.

First I was amazed at the shipping time. I ordered at 10:45 p.m. and it arrived at my doorstep 9:32 a.m. the following day, less than 12 hours after I purchased it! It comes in a hard box. The cover is soft; I love the purple in the front which extends to the back (see photos). The 10 point font is easy to read. For comparison, the bible was placed on my kitchen counter when I took the photos, not zoomed, so I can read it from that length. If the print is fuzzy, it's because I didn't focus. The sides of the pages looks like it's dusted in silver, perfect for someone like me who loves bling. Inside contains "hundreds" of pages for coloring; I'll just take their word for it. I showed a full page and one with just the sides. The margins that are empty of writing/picture have lines on them for notes. I also like that the paper is white vs. the cream color. When you see the two together, the cream pages just don't look as "neat" or "clean." I also showed a completed cover page with my attempt at using colored pencils. I see that the price has steadily increased. I forgot to pre-order, but I think it was less than \$40 if I had done it. I paid \$40.79, and I see it's now almost \$44. Since this bible is NIV, the version I grew up with and am used to, and it's large print for these old eyes, I'm hoping this will be my last bible. Happy coloring!

This leatherette NIV coloring bible has exceeded my expectations. The paper is high quality bible paper and is strong enough for coloring and journaling. Highly recommended!
