Such a great book for someone engaged and planning a wedding! Helpful tips!!

This is an ideal book to give as a gift for a bride to be.

I wish this book would have been written when I was getting married--a long time ago. This is the perfect wedding ideas book for recommendations, helpful hints, and Desiree doesn't miss any details for the wedding of any bride/groom-to-be no matter what your budget.

Good book for the brides to be...

While there was some interesting info in the book, the font was so incredibly small that it was difficult to read

Desiree is wonderful!

Great book for brides-to-be.
