Moon Michigan's Upper Peninsula (Moon Handbooks)

Synopsis

Born-and-raised Michigander Paul Vachon provides an insider's view of the Upper Peninsula, from the rocky outcrop of Copper Peak in the Superior Upland to the meadows and forests of quiet Drummond Island. Vachon also offers carefully designed itineraries to match the interests of any traveler, such as "Echoes of the Edmund Fitzgerald," "Getaway to Mackinac Island and Beyond," and "Camping Out in the U.P." Complete with details on discovering the tranquility of Tahquamenon Falls, boating at Indian Lake State Park, and enjoying music and dance at the glamorous Calumet Theatre, Moon Michigan's Upper Peninsula gives travelers the tools they need to create a more personal and memorable experience.

Customer Reviews

Lifelong Michigander Paul Vachon's introduction to the Upper Peninsula came as a childhood trip to the fascinating Soo Locks in Sault Ste. Marie. From that point forward, he developed a love for travel in general, and for Michigan in particular. Over the years, Paul has visited virtually every corner of the Great Lakes State. One of his favorite pastimes is heading up north—on I-75 to any of a myriad of Michigan destinations. Paul has also traveled extensively within and outside of the United States. His international destinations have included the U.S. Virgin Islands, Canada, Guatemala, Denmark, Italy, Israel, and Egypt. Paul began his writing career in 2008 and covers topics as diverse as travel, Detroit history, business, education, and green living. He is the author of three books on Detroit-area history: *Forgotten Detroit*, *South Oakland County*, and *Legendary Locals of Detroit*. Paul lives with his wife, Sheryl, and their son, Evan, in Oak Park, a

suburb of Detroit. You can learn more about Paul by visiting his website, paulvachonwrites.com.

I can read Fodor's guides without trouble, but this Moon guide is tough. Some of the print is only about 6 font, so I would need a magnifying glass. On the plus side, nice content, nice maps.

I visit the UP as often as I can. The author really knows his stuff. Very accurate and helpful. Found many new places to explore. I have always trusted Moon books. They are very good.

Great reference

Served my purposes well. As a first time visitor to the UP, I was looking for tourist attractions, hiking opportunities, nautical history, lighthouses, and waterfalls. All were covered here. My husband left the book behind in our hotel on the second night of our trip, and we purchased it a second time!

very informative book.

Bought this book to accompany us on our trip into the upper Peninsula, it was very informative and helpful in the planning of where we were going to stop, we will use it again on our next trip because we ran out of time to see all that was in it

This was an excellent book, full of lots of relevant information about the Upper Peninsula of Michigan. I found lots of information along with tips on what to see and do and where to stay in that part of Michigan. Information on this area was otherwise hard to find.

Excellent information. Easily formatted by region. A great resource to have when visiting the Michigan UP.
