Property, Concise Edition [Connected Casebook] (Aspen Casebook Series)

Synopsis

Buy a new version of this Connected Casebook and receive ACCESS to the online e-book, practice questions from your favorite study aids, and an outline tool on CasebookConnect, the all in one learning solution for law school students. CasebookConnect offers you what you need most to be successful in your law school classes – portability, meaningful feedback, and greater efficiency. A concise edition of the legendary casebook, *Property: Concise Edition* is perfectly suited for use in a four-credit course. Jesse Dukeminier's trademark wit, passion, and human interest perspective has made *Property*, now in its Eighth Edition, one of the best and best loved casebooks of all time. A unique blend of authority and good humor, you'll find a moveable feast of visual interest, compelling cases, and timely coverage of contemporary issues.

Features: Substantially shorter than most *Property* casebooks. The shortened number of pages does not come at the expense of coverage, which remains the same as in the parent book. The Notes have been substantially reduced, and the number of cases has been reduced, all without sacrificing coverage or rigor. Two-color design featuring photographs and diagrams. Pull-out Sidebar features including "In Brief," "A Look Back," and "The Rest of the Story" that aid in student learning, making the book very user-friendly. Increased use of diagrams and graphics to illustrate transactions and doctrines. New cases and new photos that differ from what was in the 7th Edition of *Dukeminier: Property*.

CasebookConnect features: **ONLINE E-BOOK** Law school comes with a lot of reading, so access your enhanced e-book anytime, anywhere to keep up with your coursework. Highlight, take notes in the margins, and search the full text to quickly find coverage of legal topics. **PRACTICE QUESTIONS** Quiz yourself before class and prep for your exam in the Study Center. Practice questions from Examples & Explanations, Emanuel Law Outlines, Emanuel Law in a Flash flashcards, and other best-selling study aid series help you study for exams while tracking your strengths and weaknesses to help optimize your study time. **OUTLINE TOOL** Most professors will tell you that starting your outline early is key to being successful in your law school classes. The Outline Tool automatically populates your notes and highlights from the e-book into an editable format to accelerate your outline creation and increase study time later in the semester.

Customer Reviews

Interesting approach to a doctrinal subject; foregoes the endless line of cases method in favor of explaining principles in the abstract. Very different than every other casebook in its pedagogical style, but I grew to enjoy it.

Product arrived in great shape and on time. Sadly it is not the Concise Edition but rather the full 1300 page version.

good product

The "Ring-Bound" book comes unbound.

Great new condition

So the transaction with the vendor was fine. The product, however was not as helpful as I'd hoped. It omitted cases from the larger book that I needed for class I had hoped that it omitted verbiage rather than cases. I am not able to use it.
