Road Trip USA: Great River Road

Synopsis

Rediscover the Open Road! Take the scenic route along the mighty Mississippi River. Road Trip USA: Great River Road is classic roadside Americana at your fingertips! Inside you'll find: Mile-by-mile highlights so you can make the most of America's two-lane highways through Bemidji, Elvis Presley's Graceland, and Cajun Country. Driving maps covering over 2,000 miles, from the Minnesota headwaters all the way down to the Gulf of Mexico. Full-color vintage and modern photos and illustrations of past and present America, in a slim, portable guide excerpted from Road Trip USA. Roadside curiosities and detours revealing the personalities, history, and unique character of the small towns and thriving cities along the route. Expert advice from road warrior Jamie Jensen, who has zoomed along nearly 400,000 miles of highway in search of the perfect road trip. Road Trip USA: Great River Road is so full of the beauty of the American road, why wait to start your next adventure? Hit the Road!

Customer Reviews

An enjoyable and practical guide to the sights and towns along the Mississippi. It is short, barely 100 pages, so best to supplement it with the guides to states you plan to travel through.

Mediocre content. Very shallow coverage. The print is small enough that this old man had to pull out a magnifying glass to read the text. So much potential - this travel guide left out so much!

Nice tool for planning road trips.

This book covers our home territory so we will use it for years as a guide to "local" good places.

My husband and I just got back from using this very book on our trip along the Mississippi River. Although small in stature, this book was very helpful and gave us lots of great ideas, especially for people like us who like to get away from the major tourist-trap stops (although those popular attractions are also listed). We followed the GRR from Memphis to Natchez, MS.
