Customer Reviews

This book left me breathless! The story it contains is a masterpiece...a modern day classic. Every word on every page held me transfixed, completely immersed in a tale like no other I've read. The writing style, descriptions, depth of characters, startling revelations throughout- all impeccable. Even typos were absent until last leg, even then only 2 or 3. It was a wonderful rollercoaster ride & will carry you from the heights of joy & euphoria the depths of agony & despair and then back again. This is a tragedy of epic proportion, intensifying as it barreled along w/out missing a beat. Even the ending is perfect., it ends exactly where it should. Doesn't leave you wanting more because there is no more. This book transcends all but a few books I've ever read and I would give it 10 stars if I could. Do NOT pass up this book! You won't be disappointed, you'll be enthralled & amazed and most of all you'll be glad you read it.

The writing in this book is what tossed you about ahead 25yrs then back 25yrs. I don't normally like that style but see where it was necessary. It's so crazy story if misunderstanding that leads to a suspense filled roller coaster ride. I didn't like the ending but other than that it is well written and she great story.

This was a little different than the books I normally read, but I really liked it. I would definitely recommend it and would give it a 4.8 stars if I could. The author did a very good job developing the characters, and there were a lot of surprises along the way as the story developed and the truths were revealed.

This is a horrifying story. It is so depressing in showing the consequences of assuming anything about anyone.

The story is interesting and unpredictable, I was very engaged and didn't want it to end. The way it is written from different points of view keeps you connected.

Great book! Very well written and suspenseful.

Couldn't put the book down.

It was just ok
