# Lgbt Milwaukee

## Synopsis

Over the past 75 years, gays and lesbians have experienced tremendous social change in America. Gay and lesbian culture, once considered a twilight world that could not be spoken of in daylight, has become today's rainbow families, marriage equality victories, and record-breaking pride celebrations. For a medium-size Rust Belt city with German Protestant roots, Milwaukee was an unlikely place for gay and lesbian culture to bloom before the Stonewall Riots. However, Milwaukee eventually had as many if not more known LGBTQ+ gathering places as Minneapolis or Chicago, ranging from the back rooms of the 1960s to the video bars of the 1980s to the guerrilla gay bars of today."

## Book Information

Hardcover

Publisher: Arcadia Publishing Library Editions (August 22, 2016)

Language: English

ISBN-10: 1531699545

## Customer Reviews

"When author Michail Takach pitched us his history book LGBTQ Milwaukee, we agreed politely to look at it. Then we saw the wonderful photos and read the beautifully researched and very moving text. The book, consisting mostly of photos and detailed captions, takes us from the bad old days of the deep closet to drag queens most glorious, to mega-discos, and beyond. With over 150 images, many never before seen, the rich LGBTQ history of Milwaukee comes alive." The Advocate

As a lifelong Milwaukeean, Michail Takach became fascinated with its nightlife culture, venues, and neighborhoods at a young age and has committed himself to researching and documenting those stories not told in history books. As the communications director for Milwaukee Pride, Inc., Takach has supported the ongoing celebration of LGBTQ+ culture and community through education,

outreach, and advocacy since 2010. In partnership with award-winning historian Don Schwamb of the Wisconsin LGBT History Project, Takach seeks to make the story of LGBT Milwaukee accessible, visible, and portable for future generations before it is too late.

Excellent work! I thought I knew a lot about Milwaukee lgbt history because I've lived 35 years of it, but this book gave me tons of background from before my time and nostalgia for time and places from my past. And the picture of the guy (Jeff) on the cover is amazing.

good review of LGBT Milwaukee a reminder of what has past,a reminder of the fun times I had in the 70's.

Brings back so many memories

Interesting look at the history of Milwaukee's LGBT community, and wonderful pictures.
