This is one of those books you don't know you need til you get it. It's a great book to have. It shows you all kinds of things that you can cook in the crockpot for people who love Mexican food but not enough time to fix it. You can put it in the crock and let it cook all day.

These recipes are great. You can just toss all the ingredients in the slow cooker and let it do it's work. So simple and easy.
