Habits! 21 Powerful Simple Mini Habits To Boost Your Mind, Hack Your Productivity And Achieve Success In Life (Healthy Living EBooks, Self Control And Discipline,)

Synopsis

Today, I am going to be productive! Today I am going to change! But at the end of your day, you feel like a failure... If you read this you probably know what I am talking about! Have you ever wondered what are the habits of effective people? What productivity hacks, success principles, or some black-magic unicorn juice they use? How do they have that effective memory, incredible concentration and a list of qualities that goes on and on? And the most important part, How do you become like them? Well, this book has a solution! 21 simple, mini habits capable of changing your very life! Just look here what you will learn: How to increase your productivity How to make your mind, your friend How to improve your concentration How to improve your relationships with those around you How to increase your happiness How to reflect on mistakes and GROW How to control technology, not the other way around How to boost your health And this is only the beginning! You deserve this change, you deserve to be the best version you can be! Just imagine how different your life would be! Begin your marvelous journey into the world of habit building now, by clicking "BUY NOW" button at the top of the page! See You on the other side! Yours John Evergreen.
