Dancing Dinos At The Beach (Step Into Reading)

Synopsis

This fun, rhyming Step 1 easy-to-read book is perfect for a day at the beach! Dinos splashing with their tails. Dinos filling up their pails. Dinos feeling very brave. Dinos riding every wave. They're back . . . and this time, they've got sunscreen! When the dancing dinos pop out of a picture book and land in the sand, it's not long before they have completely taken over the beach, building sand castles, collecting shells, and even waterskiing. No beachgoer is safe from the madcap mayhem of these mamboing dinosaurs.

Cute story for little readers who love dinosaurs

Great for my little reader!

I really like the step into reading program. I am homeschooling my children and this is a perfect choice for us.

My grandson loves this book.

Cute story and great for my budding reader! Came on time and in great condition!

This was a very cute level 1 reader. Describing action words like "leaping out" "in the sun" riding round and round" "feeling very brave" Story starts with a little boy and a book, he has it opened to a page with dinosaurs in it. They jump out of the book and start doing all sort of various 'summer fun' things at the beach. At the end of the story they jump back in the book again. Really cute idea for a child's story.

Not the best Dancing Dinos book, but it is still decent to read.
