Customer Reviews

Dr. Collins is a Professor of Social Work at the University of Calgary. He is also a part-time family therapist, and spent ten years as a volunteer family therapist and supervisor. His research and areas of interest include social work education; social work practice couples, families, and individuals of all ages; child abuse; family violence; teaching and learning issues; program and case level evaluation; and case management. Dr. Collins has authored and co-authored numerous articles and texts. Dr. Cathleen Jordan is Professor of Social Work at the University of Texas at Arlington, where she has taught in the master's and doctoral programs since 1985. Her areas of expertise are family assessment and treatment, clinical research, and family-work issues. She currently serves as chair of the Direct Practice Sequence and Secretary of the Board for NASW-Texas. She is co-author of additional texts, including FAMILY PRACTICE: BRIEF SYSTEMS METHODS FOR SOCIAL WORK and FAMILY TREATMENT: EVIDENCE-BASED PRACTICE WITH POPULATIONS AT RISK. Dr. Heather Coleman is a Professor of Social Work at the

University of Calgary, and a practicing clinical social worker for more than 15 years. Her research areas include social work education (child and family) and her areas of interest include family violence, family preservation, gender issues, First Nations and addictions, human sexuality, and clinical practice. Dr. Coleman currently serves on the Board of Directors for the Canadian Association of Schools of Social Work. She has authored and co-authored numerous articles and texts.

I really enjoyed this book. It was one of my favorite textbooks so far in the BSW program. I did not find it dry- the material was interesting and useful. It was one of the very few textbooks I've kept and read cover-to-cover. The chapters are long, dense, and the print is smaller than most textbooks, however, the content was interesting enough that it wasn't "painful" to get through.

Very useful book. Not too bad a read, easy to use for reference on important practice and reference. I'm a senior and it's the only book I have cracked in my social work program. It's way expensive for the small soft cover, but after renting it I ended up buying it because it was actually worth keeping to use in the future and in my internship.

Good book for social work students. Gives a good understanding of social work with families, children, and couples.

Item was as described and arrived in a timely manner.

Great

I bought this for a course in my MSW program. It is a good, easy read. I will not be selling this book back as I plan to keep for future reference.

Price was right

As expected.
