International Law: Norms Actors Process: Problem Approach 3e

Synopsis

Illuminate the process of international lawmaking with this timely and practical revision.

INTERNATIONAL LAW: Norms, Actors, Process: A Problem-Oriented Approach, Second Edition, uses compelling problems and an interdisciplinary approach to lead students from fundamental to advanced topics. This efficient and effective casebook offers: a distinguished team of authors, all known for their widely published writing a real-life problem approach that illustrates the law in action -- for example, genocide in Rwanda, state formation in the former Yugoslavia, and the problem of ozone depletion in protecting the atmosphere -- and grounds material for students to give the subject a contemporary connection
