Frankfurt (Euro City Map) (English, German, Dutch And French Edition)

Synopsis

Frankfurt / Main (Hesse, Germany) 1:20,000 Street Map & Environs 1:125,000 ADAC, 2008 edition This large format (size 55 x 38 inches / 140 x 97 cm) plan of Europe's trade fair capital covers all of Frankfurt at scale 1:20,000, including Eschborn, Kronberg, Schwalbach and a few more smaller communities. The coverage extends to Frankfurt's international airport. The plan shows and names all streets and has individual postal codes for each street. One way streets and car parks are marked. All the main landmarks and public buildings are indicated. All public transport facilities are shown: Metro, buses, trams and overland rail lines, with stations and stops. The map includes an inset with the enlargement for the city centre at 1:10,000. Another inset shows an overview map of metropolitan Frankfurt at scale 1:125,000 with motorways and artery roads highlighted. The map also shows the administrative and postal divisions. On the reverse, there is a detailed road map covering a very wide area around Frankfurt at 1:100,000 - this scale is suitable for cycling and even walking. Map legend includes English. The glued-in 63-page booklet contains an extensive street name index and a colour map of the rail transportation system of Frankfurt's whole region (Rhein-Main Gebiet). The map is GPS calibrated (WGS 84) and comes with hard cover, folded size 9.5 x 4.5 inches. ADAC is Germany's equivalent of the AAA and publishes an extensive series of street plans which provide detailed high-quality mapping of all major towns and cities, including their outer suburbs.
