# Daniel Tries A New Food (Daniel Tiger's Neighborhood)

## Synopsis

Daniel Tiger puts his taste buds to the test in this charming new 8x8 storybook based on a popular episode of Daniel Tiger's Neighborhood! Miss Elaina is coming over for dinner, so Mom Tiger is making two super-special foods! But Daniel and Miss Elaina are nervous about trying them. With some help from Mom and Dad, Miss Elaina Daniel learns that they've got to try new foods because they might taste good! This delightful story is perfect for helping little ones understand that trying new things—especially new foods—can be fun! © 2015 The Fred Rogers Company

## Customer Reviews

I bought this book for my picky eater 2 year old, who enjoys Daniel Tiger. I was hoping reading this book with him would help open him up to trying new foods...and it did!!! Since receiving and reading the book, he will try new foods. I just sing the little jingle "try a new food, you might like it" and he says "just like Daniel Tiger" and will usually at least take a bite. I really like that this and other Daniel Tiger books tackle feelings and other tricky issues within fun, simple stories that are easily understood by little ones. Would definitely recommend if you have a picky eater in your house!

Working with a severe picky eater, got him this book and he is warming up to new foods but hasn't made the leap yet. He listens to Daniel Tiger more so than his parent so I'm positive it will happen soon.

Love Daniel Tiger! This is a great book to show kids to try new foods!

I bought this for my boys because they are picky eaters. Not sure if it will help or not but my 2 year old loves me reading it to him.

Love the lessons in Daniel Tiger books.. great price and great story. If you don't know what to get a kid, get him/her a book.

My daughter loves this book - of course, she loves anything Daniel Tiger related!

Very happy with product. Quick delivery.

Grandson adores anything Daniel tiger and this book was no exception..We were glad to see that the Daniel folks are so consistent in the products which they attach their name to.
