Synopsis

The seventh and final book in the #1 New York Times bestselling I Am Number Four series brings the Garde's story to a breathtaking conclusion. The Garde didn't start this war, but they'll do whatever it takes to end it once and for all. . . . The Mogadorians have invaded Earth and the Garde are all that stand in the way, but they'll need an army of their own to win this fight. They've teamed up with the US military, but it might not be enough. The Garde need reinforcements, and they've found them in the most unexpected place. Teenagers from across the globe, like John Smith's best friend, Sam, have developed abilities. So John and the others must get to them before the Mogs, because if they don't their enemies will use these gifted teens for their own sinister plan. But after all that has been taken from John—his home, his family, his friends, and the person he loves most—he might not want to put any more lives in danger. He's got nothing left to lose, and he's just discovered he has an incredible new Legacy. Now he can turn himself into the ultimate weapon. So will he risk his life to save the world, or will he realize that power in numbers will save us all? Michael Bay, director of Transformers, raved: "Number Four is a hero for this generation." • This epic young adult series is perfect for fans of action-packed science fiction like The Fifth Wave series by Rick Yancey, The Maze Runner series by James Dashner, and Orson Scott Card's Ender's Game. Don't miss the first book in the brand-new I Am Number Four spin-off series: Generation One.

PRAISE FOR THE I AM NUMBER FOUR SERIES: “Number Four is a hero for this generation.” (Michael Bay, director of Transformers) “I Am Number Four is a breathless page-turner. So gear up, sci-fi fans, the battle for Earth is on and there’s a new kid in town!” (.com) “There’s genuine suspense.” It’s easy to get lost in the world of the sweet teen from another planet. (Chicago Tribune) “Terrifically propulsive.” (ALA Booklist) “Action-packed.” (Publishers Weekly) “Riveting.” (The Horn Book)

Pittacus Lore is Lorien’s ruling Elder. He has been on Earth preparing for the war that will decide Earth’s fate. His whereabouts are unknown.

I have been reading these books and excerpts since the start. I read them voraciously and preordered every book. It was a fantastic ending to a series that has been with me now for years. They didn’t do the movie justice to what these books have left with me. This will always be one of my favorite book series. Thank you for writing such wonderful material to take me to another world and letting me spend time with such admirable entities. It is truly appreciated. Avid fan & reader!

I liked every book from the Lorien Legacies series. Personally, The Fate of Ten was my favorite in the series. It was where things start rolling in. Everything seems hopeless as the Loric fight having a massive disadvantage. There was a certain way that was set up for the Mogs to be dealt with at the end of book 6 and I thought it seemed like a set up i couldn’t wait to see play out. The main characters in this final installment of the series second guess the way things were set up in my eyes. I’d still say it’s a good book, and well worth the read. I just think it could have been better if it played out just a bit differently.

Well written. Worth the read, definitely. The story plays out well and the storyline is interesting and real enough to be satisfying. It’s got all the good elements; action, romance, drama, humor in perfect proportions so as to give the story value and substance and keep it interesting. I definitely enjoyed it. The first and last were my favorites. But I certainly didn’t mind reading all the in between. All in all an excellent read if what you want is aliens and action and romance in one in as real a

setting as possible with characters that are super cool but also likeable and easy to relate to. Even if not, read it. It's worth it.

Spoiler alert... It was slow at first, but I've been busy so it could have just been me. The ending seemed sad to me even still, sure there was hope in the world, but I wanted more. I know we couldn't bring people back but still. Five broke my heart, I wanted something more from him even if it was for him to be the gross black creature that we ended up having to save from himself. The visit to paradise. Man... that was heart breaking too. Overall great read but like most great stories, I'm sad it's over.

I have been following this series since I was in middle school, and let me tell you it has not disappointed me ONCE. These books will leave you breathless and wanting more at every turn and are extremely hard to put down. I loved the premise and fell in love with the characters from the beginning, and my only regret is that the series has ended.

The entire saga is finally brought to a very satisfactory conclusion here in book 7. An excellent series and very highly recommend.

This book is a fitting end to this series . It's closer and hope put together . John really develops into an amazing character and the other characters are filled out as well .

The entire series is outstanding I was glued to the books and could not put them down. I hope there are more books coming as I would read them all! Wow what a great ride!
