The Purpose Driven Life

Synopsis

Another Landmark Book by Rick Warren. You are not an accident. Even before the universe was created, God had you in mind, and he planned you for his purposes. These purposes will extend far beyond the few years you will spend on earth. You were made to last forever! Self-help books often suggest that you try to discover the meaning and purpose of your life by looking within yourself, but Rick Warren says that is the wrong place to start. You must begin with God, your Creator, and his reasons for creating you. You were made by God and for God, and until you understand that, life will never make sense. This book will help you understand why you are alive and God's amazing plan for you---both here and now, and for eternity. Rick Warren will guide you through a personal 40-day spiritual journey that will transform your answer to life's most important question: What on earth am I here for? Knowing God's purpose for creating you will reduce your stress, focus your energy, simplify your decisions, give meaning to your life, and, most importantly, prepare you for eternity. The Purpose Driven Life is a blueprint for Christian living in the 21st century---a lifestyle based on God's eternal purposes, not cultural values. Using over 1,200 scriptural quotes and references, it challenges the conventional definitions of worship, fellowship, discipleship, ministry, and evangelism. In the tradition of Oswald Chambers, Rick Warren offers distilled wisdom on the essence of what life is all about. This is a book of hope and challenge that you will read and re-read, and it will be a classic treasured by generations to come.

Customer Reviews

The spiritual premise in The Purpose-Driven Life is that there are no accidents---God planned

everything and everyone. Therefore, every human has a divine purpose, according to God's master plan. Like a twist on John F. Kennedy's famous inaugural address, this book could be summed up like this: "So my fellow Christians, ask not what God can do for your life plan, ask what your life can do for God's plan." Those who are looking for advice on finding one's calling through career choice, creative expression, or any form of self-discovery should go elsewhere. This is not about self-exploration; it is about purposeful devotion to a Christian God. The book is set up to be a 40-day immersion plan, recognizing that the Bible favors the number 40 as a "spiritually significant time," according to author Rick Warren, the founding pastor of Saddleback Church in Lake Forest, California, touted as one of the nation's largest congregations. Warren's hope is that readers will "interact" with the 40 chapters, reading them one day at a time, with extensive underlining and writing in the margins. As an inspirational manifesto for creating a more worshipful, church-driven life, this book delivers. Every page is laden with references to scripture or dogma. But it does not do much to address the challenges of modern Christian living, with its competing material, professional, and financial distractions. Nonetheless, this is probably an excellent resource for devout Christians who crave a jumpstart back to worshipfulness. --Gail Hudson

Pastor of Saddleback Church, a Southern Baptist mega-church in southern California with weekly attendance of more than 15,000, Warren now applies his highly successful "purpose-driven" framework, developed in the best-seller *The Purpose-Driven Church*, to individual experience. The same principles Warren has taught to thousands of pastors to help churches be healthy and effective can also drive lives, he says. The book argues that discerning and living five God-ordained purposes—worship, community, discipleship, ministry and evangelism—is key to effective living. His 40 short chapters are intended to be read over 40 days' time, giving readers small pieces of his purpose-discovering program to chew on. Warren certainly knows his Bible. Of 800-plus footnotes, only 18 don't refer to Christian Scripture. He deliberately works with 15 different Bible translations, leaning heavily on contemporary translations and paraphrases, as an interesting way of plumbing biblical text. The almost exclusively biblical frame of reference stakes out the audience niche for this manual for Christian living. It's practical yet paradoxically abstract, lacking the kind of real-life examples and stories that life-application books usually provide in abundance. The book has flaws editing might have fixed. People are quoted without being identified, and subheads simply repeat lines of text, which tends to make the prose sound too simple. This book is not for all, but for those needing a certain kind of scriptural rock, it is solid. Copyright 2002 Reed Business Information, Inc.

I have both the book and audio version. Reading/hearing it once is not enough. This book can totally change the way you think and relate to God in a real positive way!

Love this book, very inspiring

This book is so filled with God's truth. I want to read it again so I can really take the time to devote my days to every chapter.

I have this on my Kindle and love it. It is part of my daily devotions and setting the pattern of my spiritual life...foundational at all levels of a Christians walk with Jesus. Unless you are "on the path", you are not. This will help you to recognize "the path".

My husband studied this in our Men's Bible Study and I had no idea what my purpose in life was. Now, I have a better understanding of the design and mystery of God's plan for my life.

I absolutely loved this devotional. Every single chapter spoke to me in so many different ways. It was blunt and filled with truth when needed, yet filled with encouragement and reminders of who I was created to be and what things in life, big or small, get in the way of that purpose. Would highly recommend!!!

It will help you in your walk to self discovery in the Christian Faith. Do meditate on the chapters, it helps you grasp what they mean to you personally.

I loved this book before I even got to the 1st chapter. Every single chapter definitely makes you put your thinking cap on. I'm loving this book. I'm also enjoying the extra features that it has. I haven't finished the book yet, and I've already purchased a few more as gifts to family and friends. I definitely recommend this book to everyone, whether you have a good relationship with Jesus or not. I. LOVE. This. Book.
