Synopsis

As a former pro wrestler, KILLER CROC bullied his opponents inside the ring. As a cutthroat criminal, this ferocious freak forces his competition out of town. Customer Reviews

My son is obsessed with Batman, he loves everything about him. Batman is, needless to say, his hero! I love reading stories to him, such as this one, because he learns that not only is Batman a hero but he is also human. We see in this short-novel that Batman was not able to fight the killer Croc on just his own accord, it took him with the help of others to bring down this dangerous criminal. When The Dark Knight's weaknesses are exposed, it is something that I am able to share with my children as it relates back to them in everyday life. No one is invincible, everyone has flaws, and that is completely okay. Batman novels by Super DC Heroes are clean and wholesome. I never

have to worry about what my child my hear and learn when reading these novels to him, they never disappoint and I am always able to say that justice prevails through every trial that the hero must face.
