## Customer Reviews

Perfect for my two week trip to Perth and the west coast. Very informative, but the map is utterly worthless.

A helpful guide, Disappointed in the limited lodging options mentioned in the book.

Very helpful for trip planning. I generally find Lonely Planet pretty reliable. We've never been to Western Australia, and so are really looking forward to following some of this book's recommendations.

Have been to Australia since I purchased book. It's quite accurate
