Added is a gallery of dozens of colourful fish and other reef creatures. SIDE TWO presents an overview map of Micronesia with enlargements of selected islands: Yap, Tinian, Saipan, Rota, Kosrae, Pohnpei, Majuro and Arno atolls, Truk Islands and Palau Islands. This side also includes a detailed map of Guam's coast from Apra Harbor at scale 1:40,000 to Tumon Bay at 1:25,000, including the international airport. The heart of Guam's capital Hagatna is presented in a special inset that clearly shows the "Hagatna Heritage Walking Trail" past 17 historical sites. The US Territory of Guam is the hub of Micronesia. Most visitors, divers and other explorers who travel to Micronesia enter via Guam. Many do not realize that Guam is itself a fantastic visitor destination. Micronesia is among some of the world's most serene and beautiful Edens.
