Customer Reviews

I recently moved to the Nashville area and needed a good map so I purchased the Rand McNally Street Guide. The map book is easy to use and is extremely helpful especially when your gps refuses to find the address your looking for.

OK

Awful. Returning this product. The maps are so dated they are no longer useful. Major roads are missing. Entire neighborhoods built 10 years ago are showing blank. I understand a printed version will not be as updated as digital, but this book is ancient. Do not buy.
