The Story Of A Soul: The Autobiography Of The Little Flower (with Supplemental Reading: Classics Made Simple) [Illustrated]

Synopsis

This TAN Books edition of "The Story of a Soul" by St. Therese of Lisieux, features the complete text of the title, along with a supplemental reading section entitled "Classics Made Simple." We've also included unique hand-selected classic artwork for the reader's enjoyment, exclusive to this eBook edition of "The Story of a Soul" from TAN Books. The Story of a Soul: The Autobiography of the Little Flower: The Story of a Soul conveys St Therese of Liseux's "Little Way" of spiritual childhood - her "elevator" to Heaven, as she called it. This method was approved by Pope Pius XI as a way for all to grow in holiness through unfailing confidence and childlike delight in God's merciful love. Again and again in this book, St. Therese shows us how her "Little Way" of love and trust comes straight from Sacred Scripture. This book belongs in every Catholic home, for Pope St Pius X stated St. Therese of Liseux the "greatest Saint of modern times". The Classics Made Simple: Story of a Soul: We are proud to introduce The TAN Classics Made Simple - a brand-new companion series to our bestselling TAN Classics collection. TAN Classics Made Simple booklets are designed to give you an orientation course before you embark on an exploration of the great works of Catholic literature found in our best selling TAN Classics line.

Customer Reviews

A wonderful story about the life of St. Therese. Her inner strength and faith were rock solid, and this book is a testament to that! Food for the soul.

A favorite Saint's autobiography, how excellent is that!

Excellent!

This is a good book for young people. I couldn't put it down.

Who wouldn't love to read anything about St. Therese? I like that they made this study edition which explains each chapter in depth. Great reading on a great saint!

I knew what to expect because I am familiar with this autobiography. I thought that the explanatory notes were very helpful.

This is a classic that I've heard about for years and decided to make it part of my Lenten journey this year. When St. Therese writes of herself as a young person, you can sense her innocence and appreciate her candor. I have not finished the book, but what I have read has made me really want to continue reading the story of her life. Though she is a saint, her humanity is clearly present and most anyone will be able to relate to her story.

This is "Story of a Soul" with a little added punch! Thought provoking questions throughout that help one delve into their own souls journey with Christ.
