Art Ginsburg featuring Nicole Johnson Baker

I have just received the book but have not used it. Looked through it and love the recipes. Have always loved Mr. Food and really miss him and his "Oh, it's so good"! I have a spiral cookbook of his that is not diabetic and have tried to change it to fit my needs. Even though hard to do, the recipes are great. Am sure that this book (and my others) Mr. Food Diabetic cookbooks will be used often. Am glad to have them in my collection.

really good recipies. lots of choices for low carb options.

This is a great book and I have used it a lot. Very clear and to the point. I have many cookbooks and this one is on top of the stack.

This helped me a great deal when I first had diabetes---easy, quick & good dinners that met all the requirements. Thanks Mr. Food!
