National Geographic Traveler: Costa Rica, 4th Edition

Synopsis

Award-winning author and Costa Rica expert Christopher Baker guides you through this incredibly varied and alluring country, one of Central America's premier ecotourist destinations. Illustrated with 120 vivid photographs and 20 full-color maps, the book starts with a detailed introduction to the country's history and culture--including a section on its unique flora and fauna. You are then guided through each of the country's regions: the capital city of San Jose; the lush Central Highlands; Guanacaste and its volcanoes; sea-fringed Nicoya; the Central Pacific; Zona Sur; the South Central and its cloud forests; the Northern Lowlands; and the Caribbean. Special features give comprehensive information on topics ranging from snakes and butterflies to volcanoes and rafting, while ten guided drives and walks take you into some of the country's most fascinating areas, including a stroll through San Jose's Otoya and Amon barrios and a drive along the Inter-American Highway. Sidebars on experiential travel abound, revealing how to save macaws, learn Spanish, and best enjoy the coffee culture.

He has also written for BBC and the Discovery Channel. Baker has been honored with several awards for outstanding writing, including four Lowell Thomas Travel Journalism Awards.

Perfect, just what I needed. Thank You

Colorful illustrations and detailed information re: Costa Rican main features plus surrounding areas. Includes helpful tips re: inhabitants customs and etiquette including what not to say or do.

Good for pre-travel and reference during and after.

Generally a good book. Fonts are too small though.

Another well done travel publication.

This is a very good book for suggestions on where to sight see. It has outstanding pictures in it. I would suggest the Fodor book to complement this book.

liked the hints for travelers and the book is very helpful for how to get around and what to see.

If you are going to Costa Rica, we just got back after spending 2 months there, get a copy of Fodors Costa Rica 2016, it is the best reference and really paid off as far as hotels, restaurants, places to go, etc....
