Adventures In Japanese Hiragana-Katakana Workbook (Level 1)

Synopsis

The Adventures in Japanese Level 1 Hiragana & Katakana Writing Workbook teaches students how to write hiragana and katakana, two of the basic Japanese syllabaries. Detachable flashcards on heavy stock paper are included. Widely adopted at junior and senior high schools across the U.S. because of its effectiveness, Adventures in Japanese is a user-friendly but comprehensive course that incorporates textbooks, student workbooks, kana workbooks and flashcards, teacher's handbooks and audio CDs for a complete and enjoyable introduction to the Japanese language. The title of the series implies fun, and the books' lively illustrations and vivid explanations make language learning enjoyable for students. Speaking, listening, reading and writing are equally stressed throughout, and Cultural Notes make important points about Japanese culture and language use. A Fun Corner--with various culturally related activities from making onigiri (riceballs) to learning Japanese songs--increases the sense of exploration and adventure, and a Japanese Culture Corner feature provides cultural topics for students to explore in depth and compare with their own culture.

Book Information

Series: Level 1

Paperback: 110 pages

Publisher: Cheng & Tsui (June 1, 1999)

Language: English

Best Sellers Rank: #178,501 in Books (See Top 100 in Books) #93 in [Books > Textbooks > Humanities > Foreign Languages > Chinese](#)

Customer Reviews

An accessory to the textbook, this workbook is perfect for testing your basic knowledge of Japanese. Not entirely necessary, but I'd prefer to have it.

great condition

\$28 for a class workbook? Obviously the publisher knows the students will just have to pay through the nose. :

I use this to teach my students Hiragana and Katakana. It is useful and allows for students to practice their characters right after they learn it.

This workbook has the best format of any workbook I've seen. It drives on practice...practice...practice. This would easily be a 5-Star workbook and maybe the absolute best if the answers to the questions were somewhere in the book. As a workbook for beginners, I believe the answers should exist so a self learner could check his/her work so they don't develop bad habits from the start. 2 Stars might seem harsh, but for the price of this workbook I expected something complete.
