Canada Wall Map (Classic Style, Tubed) 38" X 32";

Synopsis

National Geographic's map of Canada is one of the most authoritative maps of the Great White North. This Classic style wall map features a bright color palette with blue oceans and the country's terrain detailed in stunning shaded relief that has been a hallmark of National Geographic maps for over 75 years. Thousands of place names, accurate political boundaries, national parks, and major infrastructure networks such as roads, canals, ferry routes, and railroads are detailed. Coastal bathymetry is shown with depth curves and soundings, and the boundaries of the winter extent of sea ice are marked as well. Coverage also includes Iceland, Greenland, and portions of the United States. The map is packaged in a two inch diameter clear plastic tube. The tube has a decorative label showing a thumbnail of the map with dimensions and other pertinent information. Map Scale = 1:6,500,000 Sheet Size = 38" x 32"

Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.

Well made map. We have it on our wall, and we have marked all the roads we have traveled. It holds up well. Very pleased.

Good quality map

The map is concise, detailed and easy to read and understand. Much obliged. Other than the map being practical it's Right as Rain can't complain.

Yes it is excellent. Thank you so much! ,

Without the distortions of the "flat world" maps, as lines of latitude and longitude are correctly incorporated. All of Canada on the one map without "inserts"
