# Zimbabwe, 2nd (Bradt Travel Guide)

## Synopsis

This is the only up-to-date guide to Zimbabwe. Harare is once again a thriving metropolis with a profusion of new restaurants and accommodation and, with some of the finest national parks in Africa, the country is blessed with stunning landscapes and an abundance of wildlife. The Zambezi River offers adventure holidays and Victoria Falls leaves visitors breathless, while the range of birdlife draws enthusiasts year-round. This guide offers in-depth information on the facilities, advice on itinerary planning as well as how to select a safari. Accommodation is covered with up-to-date information on everything from luxury safari camps to budget stays for younger travelers who arrive overland, heading for the fast flowing waters of the Zambezi gorge.

## Customer Reviews

Reviews of previous edition—“This makes the Lonely Planet look rather pale in comparison. Paul Murray has done the hard miles on the road to make sure that this guide is the most comprehensive and up-to-date”. - SA 4x4 Magazine

Paul Murray has been visiting Zimbabwe for over 25 years and now spends half of the year there living amongst a community of the country’s key tourism specialists. He is actively involved in promoting tourism to Zimbabwe and was shortlisted in the 2011 Zimbabwean Achievers Award for services to Zimbabwean tourism. He is a contributor of articles to Zambezi Traveller, and is an advisor and freelance feature writer for several other publications and tourism related ventures.

This is a very useful book if you're going to travel to Zimbabwe. Lots of good information, especially about the history, what to bring, dealing with "street politics" (i.e. traffic stops), etc. It's very up to date at this time (published September 2013). If you're going to Zim, get the book!

Excellent book on Zimbabwe. Everything you need to know about the country. I would highly recommend this book and cannot wait to explore Zimbabwe.

This book provides a very comprehensive view of today's Zimbabwe. It is much more than a travel guide with insights into the country past and present. There are hardly any travel guide books on this country alone and this is a very thoughtfully written one.

It's very good and since I have been in Zimbabwe every year since 2001, I find it very accurate, and the description of the people very accurate. They are lovely, kind, and fun.

Product as promised. Excellent price and service.

This was a fascinating look at a country I knew nothing about. It told the history and the present in a most interesting sceneria.

Good book. I learned a lot, but felt it didn't cover as much of the specific areas I am going to see. No book can do it all, and the general info is quite useful.

Good guide! All the best places to visit.
