Kailyn Lowry is the feisty, tattooed beauty whose determination to raise her son on her own terms has been documented on MTV's hit series Teen Mom 2. She is the author of the New York Times bestseller Pride Over Pity and Love is Bubblegum.

I enjoyed reading this book. I have been following the Teen Mom's since the 16 and pregnant first aired. At that time, I was 19 and pregnant and watched the show to relate in many ways. I feel like I have gotten the chance to watch everyone grow. Kail is such a strong person. Reading this book helped me look at things in a different light in my own life. I am happy that Kail shared her

experiences and positive attitude. Very inspiring. Love her motivation. Will definitely be reading this over and over.

Although well written, it just Kailyn giving life advice. Not much of a story

Love it! Fast shipping! Excited to read it!

I've been a fan since you stepped on the scene in 16 and pregnant. You are a true warrior and an inspiration!

Read it in two days! Great!! Loved it!! I could relate to a lot of what she's been through

The kindle version is full of typos and grammar mistakes. Other than that, it was dull and repetitive. I don't recommend it.

Kail never fails to deliver, inspiring, a great read!

Amazing , she is definitely someone anyone can look up too , finished this in a day I just couldn't stop
