## Customer Reviews

A wonderful book that helps establish a daily face to face time with the Lord in His word, while helping open up the Old Testament scriptures to see in great detail how God would carry out His great salvation in joining His chosen people to Christ for His eternal dwelling. Having it on my phone makes it that much easier to go back again and again for nourishment and enlightenment.

Thanks to these outlines, Exodus has become one of my favorite books in the Bible. I believe that without these points, I would be a much more focus-less Christian, and my service and daily living would be missing the point.

The formatting is different than previous HWMRs and is difficult to read. The titles of the weeks are smaller than the other text and the outline has unusual numbers that lead each point in addition to the outline indicators. The content is excellent but the formatting has been altered.

Wonderful word to start the day and keep your enjoyment during the day.

it is a good book.

Glory to God for His testament of blessings and promise to us as His seed and for making us His seed.

So rich in content and enjoyable. A must for God-seekers.

This is a good book for exercise my spirit.
