NYC Five Boro Map By VanDam-Laminated Pocket City Street Map W/ Attractions In All 5 Boros Of NY City: Manhattan, Brooklyn, Queens, The Bronx & St Island W/ New Subway Map, 2017 Edition (Streetsmart)

Synopsis

VanDam's award winning NYC StreetSmart 5-Boro Edition maps all top attractions including museums, major architecture, hotels, theatres, shopping destinations, and the transit system for all of The City of New York - all at an immensely legible super-scale of 1:32,000, complete with 3-D building illustrations. Clear information design allows users to read the map from three feet away and has earned VanDam maps a place in the MoMA Collection. The NYC StreetSmart 5-Boro Edition includes a complete 5-Boro map and stunning dimensional details of Manhattan and New Jersey to make you feel you are there. Also includes transit information and a Metro Index covering both NYC and NJ. The Boros, collectively known as The City of New York, are available as separate maps. StreetSmart maps are updated several times a year and are more current than any other map available. Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the vertical city. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28 or V-34s - its just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Each sleek and laminated city map package opens to 24" x 9" and then easily folds down to 4" x 9" to snugly fit into a shirt pocket or purse. Gain instant NYC StreetSmarts and a sexy souvenir to boot!

Stephan Van Dam, AIGA is an award-winning cartographer, graphic designer, and information architect. He is the president, principal and creative director of New York-based VanDam Publishing. Twenty-seven of his maps are in the MoMA Collection. The universal power of maps has been his guiding passion for the past 25 years and fuels his desire to tell stories and construct new realities through maps in all media. He's has mapped over 85 world cities, and holds several patents in the field of paper engineering and origami map folding. His work has been honored by the Industrial Design Society of America (IDSA), the American Institute of Graphic Arts (AIGA), the editors of ID magazine and has been featured on national television and been sighted in numerous feature films.

Great resource to help plan my upcoming NYC trip.

Very happy with it

Easy to read if you are traveling to NYC, the subway and the detail map is only for Manhattan. Laminated.

Perfect for my grandson's trip.

great map!

fast and great!

It has helped me enormously with my sense of direction and navigating Manhattan. The map is detailed and gives you a breakdown of Manhattan but stops at 127th Street and fails to include the whole of Harlem and Washington Heights. Still a good map for the price and is convenient to carry.

Great Map, sturdy - should be great for our trip! Very easily readable even with my bad eyes!
