Love the pictures but the 2016 calendar does not actual match the formatting of year of 2016. Jan 2016 is actually the format for 2015 unless new years day is miraculously on a Thursday again. And although they got the leap year right none of the dates match the right day of the week. Sad but true. The bright spot is that you can use it in 2032!! No seriously I checked..2032

Received my calendar sooner than expected, excellent service. I love this and I have never seen a calendar that has beautiful pictures such as these. I highly recommend buying this, it is absolutely beautiful!!

I give this 3 stars solely based upon the fact there are only a few pics of poldark himself. I was hoping to at least have 6 months worth of hunky man go look at. the calendar is nice and I'm going to keep it, but I'm a bit disappointed overall.

LOVE the calendar photos and all. But, this calendar was a bit beat up around the corners. Better packaging is recommended.

Beautiful calendar. Poldark fans will want to frame some of the pictures.

Beautiful pictures of the Season 1 of Poldark. I love it!

If you're a fan of the series, you'll love this calendar!!! Beautiful photos of your favorite characters from Poldark.

Great!
