Customer Reviews

My granddaughter is giving this review. She is almost six years old. I asked her what she thought of this book and she said "Fun!" ! She thought it was very funny when Pal destroyed the living room and she thinks Pal hid the key, especially when he went to get it behind the rose bush. She would recommend it to her friends and other children to read!

story is good, enjoys it. Got it as a gift, reading it is enjoyable, recommend it to all of my friends

Good book to show children and parents that a puppy will need to be trained before it behaves properly. Very good for animal or pet units.
