Easy cooking

Some of the recipes show good ideas and creativity but... I find that using canned foods just isn't all that great. And, too, with many recipes calling for a can of cream-of-whatever soup just takes away from the recipes. Anyone can use canned soups to dress up or create a recipe but maybe all of us don't rely on canned veggies/fruit to create a dinner. Not impressed at all.

I love Rotisserie chicken and love these little books, now I have 10 of them.

recipes are easy and fast...no complicated ingredients to contend with..definitely has good ideas for quick meals ...you won't be disappointed
