Prophetic Calendar: The Feasts Of Israel

Synopsis

The powerful prophetic book shows you how the Feasts of Israel point to the Lord Jesus and the destiny He has prepared for all humankind. A Prophetic Calendar presents the biblical feasts as a mural of God's ageless desire to draw all people to Him. In this intimate invitation, you are provided in-depth biblical teaching and fresh prophetic understanding that beautifully links the Old and New Testaments and you to His divine plan for the ages. The feasts foreshadow the ministry of Jesus the Messiah and give a unique revelation of His redemptive purposes-past, present, and future.

Customer Reviews

Very informative on understanding Jewish feasts for non Jewish people. She does a wonderful job showing us how the feast point us to Christ and draw us closer to God. She added the words God spoke to her throughout the book to help the reader understand the heart of God towards His people. Even if you do not believe God's words to her it does not diminish the book in any way. She does ask the reader to prayerfully considered celebrating the feast regularly or at least experiencing

them for yourself. This is a book to take your time with because many of the feasts overlap, occur many places in the Scripture or have a lot of elements to them.

My Pastor loaned me her copy of the book, but immediately asked me how long I needed it for. I hurried up and gave her her copy back and got my own because A Prophetic Calendar is awesome! I am not Jewish, but am learning about the feasts of the Lord. I'm glad I was led to Jill Shannon's book. She is a fantastic author who gives factual, biblical, cultural, and prophetic information. I look to purchase her other books, but I must finish this one first!

Excellent biblical review of the Feasts/Festivals. Includes practical advice on incorporating into 'church'/'fellowship'/'home' traditions. She also shares what she believes Yahweh shared with her 'as His heart' for each feast/festival. A valued addition and reference for our home, family, and fellowship.

If you are teaching Sunday school and would like to have a good source about the Jewish holidays that are being celebrated in the New Testament, this is your book. It is an easy read and yet gives you all the information you need to understand what is going on.

To me above and beyond what I wanted to learn! If you are interest in the Jewish Feasts this would be a great book for you! Service was fantastic

Thanks once again for providing these types of books here on . My husband (a Pastor) and I love Jill's teachings and writing on the Feasts of Israel! After all, we who are grafted in should know about these Feasts that our Father has given to us to deepen our relationship with Him. I wish all the Christian churches would grasp the Feasts and Holy days of the Torah and teach them to their congregations. What a great teaching tool this book is! This is a very good resource on the Feasts and it's very easy to understand. Thanks Jill!

This book is both an introductory primer on the Biblical feasts of Israel as well as deeper revelation for those who have some knowledge of them. I would highly recommend to any Christian as a top resource on the feasts.

The Church has not done well in educating the gentiles about the feasts of the Bible that are to be

celebrated forever! Before I get to that space of time, forever, I want to educate myself about what pleases Him. This book teaches a great deal on that subject. Our entire Sunday School Class has just started studying this material.
