Customer Reviews

I have used ketogenic diet for a year now and I could say it fits me and it gives me a lot of health benefits like mood stabilization, lower blood pressure and rapid weight loss. This book is good for beginners who want to know more about this kind of diet and how it can help them.

If you starting out on a ketogenic diet this book explains alot about the diet and also has a ton of recipies in it. Doesnt call for crazy ingredients like some other cookbooks do. If you want simple recipies and a great explanation of a keto lifestyle this is the book for you!

This book has a lot about Ketogenic diet, An Essential Beginner's Guide to Quick Weight Loss and Clean Eating. These recipes are very helpful for quick weight loss. I really like this Ketogenic Diet book. The author did a great job by written this guide. Thanks

I find this book helpful and informative! This book helped me understand what ketogenic diet is. Like, what are its effect and benefits on your body, and how to do the diet right. It's good to know that you can control your blood sugar with Keto diet. Grab this book, highly recommended!

What I like about the Ketogenic diet is that it is a health way of living. This type of diet is perfect for people who was some extra pounds and wants to rid of them quickly and smoothly. This book is a must read for anyone interested in the Ketogenic Diet.

The ketogenic (keto) diet is not a new fad diet. In fact, it has been around for decades. I have been using this kind of diet for almost three months now and I could say it help me a lot in keeping me fit and healthy.

Interesting! I never tried the ketogenic diet but this book did well in convincing me that taking such method would help me maintain my body. I am into gym and running but I never tried following a certain diet. The keto diet though seems interesting and motivating. I think I can manage to try this.

I got this book as a gift and I have been enjoying it so far. The recipes are just great.
