Customer Reviews

"In terms of comprehensiveness of coverage, the very accessible format, and the enthusiastic tone, this series remains one of the best on the market." —Booklist "Fodor's super-informative guidebooks are known for accuracy and attention to detail." —The Sacramento Bee "The Fodor's guides are notable for their ratings of sights, restaurants, shops, accommodations and attractions." —Chicago Tribune "The great detail, infectious spirit, and attractive format are distinguishing traits of these guides, which are entries in one of the

top series in the business." ÆœBooklist Æ Æ "Fodor's can help you plan the perfect adventure" ÆœThe Arizona Republic Æ Æ "Always thoughtfully written and easily readable, Fodor's travel guides have become a must-have when traveling to unfamiliar destinations" ÆœMid South Magazine Æ Æ "Widely recognized as the gold standard of mainstream travel" ÆœHonolulu Advertiser

The best thing that I liked about this book was that it was small enough to carry around. I studied it and highlighted points of interest before the trip and it was easy to reference back to it throughout our visit. I liked the descriptions of items under 'points of interest.' I would have liked a longer list of restaurants, especially the restaurants that were not so expensive. The maps in the book were just ok. I would definitely recommend this book; it was a good value.

Fodor's travel guides are the best. I have used them for all other vacations and they always help guide you to the best attractions in that area. I highly recommend this Charleston guide and all of the other guides they offer.

It was very helpful. Fodor's is always easy to maneuver. I got the kindle version. If you highlight what interests you it is easy to find in your notes.

Friends were visiting Charleston and I gave them this book to help them navigate the area. Since we have had a vacation place near there for 14 years, this guide seemed to cover everything I needed to tell them about.

The book has great information. It has helped us to plan a much more informed vacation. The outside binding is upside down to the book.

This is a basic guide, helpful but lacking in one big area....no map! Sure there were small maps inside but not a good general map to use while touring around. I like to have a map to get a general orientation when i first go to a place I've never been to before. There was a map of the historic area but what about the rest of the city and surrounding area? Discriptions of sights and attractions were uneven with some very good and others very thin. For instance I read about the Old Slave Market Museum which sounded very interesting but was only two small rooms with very little of interest. Fodor's could do better....
