Customer Reviews

Hi I absolutely loved this book. I think it's very funny that arceus likes Cindy but please don't make Steve go to the dark side

Yes! It came out woot woot thank you steve for all your amazing books they can't be beat. Anyways maybe in the next book the team can go to the nether and get split up. Then Gavin/Noobakilla can come to steve with lucky in his hands and tell steve if he lets gavin/noobakilla destroy the town with steve's help he will give him lucky. Steve is then left with a hard decision. Btw plez put me in the AWESOME reviewers list thank you -EPICSNIPPEZ3355

GO GALTER AKA STEVE

I actually searched your name hoping to read one of the older books...and it took me here! I think your books have gotten better all of a sudden (amazing as usual) and I LOVE how Steve finally

became a gladiator! How the changes are: outfit, body, and strength basically. I hoped Alex would have returned by now...In another time...Gavin, the Great Butt-Faced noob, has run away to the Nether in hope that no one would find him again. Scardey butt. I know that in the next book, they'll be in the Nether, Steve and his team, looking to defeat Gavin. Steve insists on killing him to avenge Lucky. The mayor says "imprison him," which is stupid because The Great Butt-Faced Noob will obviously escape. Steve, just kill him ASAP. Alex..I miss her. Bring her back ASAP, too! I feel like being a gladiator makes Steve get mad easier...xD. I'm usually Fire 'Ãfâ Ã Å', but I'm changing name! Steve, I hope you're kind enough to replace Fire 'Ãfâ Ã Å' with my new name on the awesome reviewers list. That is, if you're still reading this...and for the first time, I'm doing a dedication. :). Oh, and that ranger Arceus is staying because he has a crush on Cindy, lol. I hope you read this through, and if you did, thanks.This review is dedicated in three ways. Steve, for the amazing books you make... SkylarHeartz, I love your reviews, they're always awesome...(that was an unexpected one) and you, if you've stuck with Steve and this review from beginning to end.

Plz read this review u can write a review of yourn own and write your own ideas or if u like mine u can copy it or u can edit mide

This is like almost the first book I've read. Do you know that? Well, I've never said it in a review so yea.AnyWayS...1. When they get to the nether, wile wondering around, they come upon someone named Jessica, who is a Knight, and had interest in getting a pet ghash, and she gave one cool stones and rocks, and that same one comes everyday to get some. After a wile, it finally became her pet. She named him Roger. She hasn't trained it to fly with her on him, but they make a pretty

good team. And the ghaſt is happy, not ſad. She lives in a netherwart houſe, for camo.2. Make lucky a ghooſt3. Add a lollypop factoryGames:Find the (3) miſſing letters:A B C D E F G H I K L M N O P R S T U W X Y ZArcade Gamer (AG)
