Synopsis

What Our God Wants: Seeking Heart Teen Series, Book Eleven Graduation is here, and Amber is ready for her high school days to be over and another summer at Camp Laughing Water. She is excited about being a counselor, and her first days of training week are reminiscent of last year. Bringing some friends with her this time, along with meeting up with those she hasn't seen for nine months, she knows there's no other place she would rather be. But when a new staff member causes some problems, Amber finds herself in the middle of a situation she never imagined or could have prepared herself for. Suddenly her summer at camp is in jeopardy once again, only this time it isn't a physical injury that might bring it to an abrupt end, but an injury to her heart. Facing their greatest test as a couple, Amber and Seth must continue to seek what God wants for them and entrust themselves to the only One who can sort out the mess caused by another person's lies. And a deceptive plan that was meant to drive them apart, may just bring them closer than ever.*What Our God Wants is the eleventh book in the Seeking Heart Teen Series for girls ages 13 and up. Books in this series are meant to be read in sequential order.
