PreS-Gr 1—Horace and Hattie are two hedgehog friends who share many things in common. They both like splashing in puddles and making daisy chains. Nonetheless, they express their own individual uniqueness as well. One problem is that they cannot give each other a big hug because they are too spiky. Horace and Hattie try various methods to hug throughout the year. For example, in the winter they rolled in the snow, but the hug was too cold. Finally they come up with a solution all by themselves. Illustrations have a colorful background collage appearance that displays cloth textures in the grass and in the leaves and flower petals. The characters are endearing when they solve their hug problem. VERDICT Suitable for Valentine's Day or any other time a book about a warm friendship feeling is needed.—Blair Christolon, Prince William Public Library System,

This book is adorable! We bought it for a birthday present to go along with a walk-a-long hedgehog. We had not read it prior to purchasing and were hoping it was cute. It was! This book takes two hedgehogs through the seasons as they try to find the perfect, comfy hug. After reading it, we read it to our daughter and she loved it- we will be buying a copy for ourselves to keep!

My 2 and 4 year old want this book read several times a day! It's so witty and cute and just darling! I love how the end wraps it all up on one page about how the hug wasn't, this, that, or the other, referring to all the failed attempts to hug. I swear my 4 year old will have this memorized in no time. She tries to read it to her sister and parts are word for word! The book is not too wordy or too simple, it's just right! And the pictures are adorable and perfect!

A very cute story of best friends who are hedgehogs and their creative solutions to the dangers of hugging when spikey. Adorable story and sweet illustrations. A favorite read in our household.

This is quite possibly the cutest idea I've ever seen for a book. An adorable little story about best friends who can't hug bc of their spikes! They try coating them in snow, but it's too cold! They try leaves, but the hug is too scratchy! And on and on. It's not too long and the drawings are very sweet. My 18 month old loves it :)

Sweet book about finding the right kind of hug

SUCH a sweet book! Bought a second copy for my niece. We particularly like the part where Horrace and Hattie find there own activities to do when the other is busy. Hello toddler life lesson!

Aaaaadorable. Perfect for the hedgehog lover in your life.

Super cute story! And I am tough on children's books!
