The author of *The Secret of the Rosary* and the originator of total consecration to Mary, St. Louis-Marie Grignion De Montfort (1673-1716) remains one of the greatest apostles of Marian devotion the world has ever known. As a young priest, De Montfort dedicated himself to preaching to the people. This highly gifted orator's language was simple but full of divine love, much as you will find in *True Devotion to Mary*. De Montfort's whole life was marked by constant prayer, love for the poor and holy joy in humiliations and persecutions. De Montfort was canonized by Pius XII in 1947.

A great quick read that will help you understand the benefit of Praying the rosary.

Another book I bought, along with, "True Devotion to the Blessed Virgin" by the same author. Absolutely wonderful.

I loved this book. Made me more devoted to the Rosary. St. Monfort goes into details on how to recite the rosary and that it is a superior form of prayer and the most perfect devotion to Jesus and Mary.

This wonderful book opened my eyes and subsequently my heart to a reality of peace. I recommend it to anyone who is searching for a peace of mind and soul rarely found on Earth.

This book contains a wealth of knowledge giving us a holy path to avoid domination. Many stories of private revelation.

A classic. Has helped me deepen my focus and appreciation for the most blessed rosary.

Pleasantly surprised by the readibility of the book. Made me fall more in love with the rosary and Our Mother Mary.

Easy to read and inspirational - helps to keep you faithful in praying the Rosary
